ENTIRE CONTRACT; CHANGES: This policy, with the application and attached papers, is the entire contract between the Insured and Combined. No change in this policy will be effective until approved by an executive officer of Combined. This approval must be noted on or attached to this policy. No agent may change this policy or waive any of its provisions.

TIME LIMIT ON CERTAIN DEFENSES: Misstatements in the Application: After 2 years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred after the expiration of such 2 year period.

GRACE PERIOD: This policy has a 31 day grace period. This means that if a renewal premium is not paid on or before the date it is due, it may be paid during the following 31 days. During the grace period, the policy will stay in force.

REINSTATEMENT: If the renewal premium is not paid before the grace period ends, the policy will lapse. Later acceptance of the premium by Combined (or by an agent authorized to accept payment) without requiring an application for reinstatement will reinstate this policy.

If Combined or its agent requires an application for reinstatement and the application is approved, the policy will be reinstated as of the approval date.

The reinstated policy will cover only such hospitalization or treatment that starts after the date of reinstatement. In all other respects the rights of the Insured and Combined will remain the same.

NOTICE OF CLAIM: Written notice of claim must be given within 60 days after a covered loss starts or as soon as reasonably possible. The notice can be given to Combined at [P.O. PROOFS OF LOSS: If the policy provides for periodic payment for a continuing loss, written proof of loss must be given to Combined within 90 days after the end of each period for which Combined is liable. For any other loss, written proof must be given within 90 days after such loss. If it was not reasonably possible to give written proof in the time required, Combined shall not reduce or deny the claim for this reason if the proof is filed as soon as reasonably possible. In any event, the proof required must be given no later than 1 year from the time specified unless the claimant was legally incapacitated.

MISSTATEMENT OF AGE: If your age has been misstated, the benefits will be those the premium paid would have purchased at the correct age.

CONFORMITY WITH STATE STATUTES: Any provision of this policy which, on its effective date, is in conflict with the laws of the state in which the Insured resides on that date is amended to conform to the minimum requirements of such laws.

GENERAL PROVISIONS

EFFECTIVE DATE: This policy takes effect and terminates at 12:01 A.M., Standard Time, at the place where you reside. It is effective on the Effective Date shown on the Schedule. Premium due dates, policy anniversaries and policy years shall be computed from the Effective Date.

EXTENSION OF BENEFITS: Termination of the policy shall be without prejudice to a continuous loss which commenced while this policy was in force, but the extension of benefits is conditioned upon the continuous total disability of the Insured, limited to the duration of the policy benefit period, if any, or payment of the maximum benefits. Receipt of Medicare Part D benefits will not be considered in determining a continuous loss.

REFUND OF UNEARNED PREMIUM: Upon your death any proceeds payable will include a refund of premium paid for this policy for any period beyond the end of the policy month in which death occurred.

MEDICAID ENTITLEMENT AFTER POLICY EFFECTIVE DATE: If you apply for and are determined to be eligible for benefits under Title XIX of the Social Security Act ("Medicaid"), you may have the benefits and premiums under this policy suspended while you are so eligible, for up to twenty-four (24) months. You must notify Combined within 90 days after you become so eligible for Medicaid.

If you suspend the benefits and premiums as described above and then lose entitlement to Medicaid, this policy will be reinstituted, effective on the date of Medicaid termination if: (1) you notify Combined within 90 days of such loss of assistance; and (2) pay the required premium. The premium and coverage will be as favorable as if the policy was not suspended. There will be no waiting period for pre-existing conditions.

This benefit is subject to: (1) a two hundred fifty dollar ($250) Calendar Year deductible; and (2) a lifetime maximum benefit of fifty thousand dollars ($50,000).

For purposes of this section, "Emergency Care" means care needed immediately because of an Injury or Sickness of sudden and unexpected onset.

Benefits will not be paid for: (a) services rendered by or covered by any agency of a State government (except Medicaid) when you have no obligation to pay for such services; or (b) expenses covered and payable under Medicare.

UNIFORM PROVISIONS

ENTIRE CONTRACT; CHANGES: This policy, with the application and attached papers, is the entire contract between the Insured and Combined. No change in this policy will be effective until approved by an executive officer of Combined. This approval must be noted on or attached to this policy. No agent may change this policy or waive any of its provisions.

TIME LIMIT ON CERTAIN DEFENSES: Misstatements in the Application: After 2 years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred after the expiration of such 2 year period.

GRACE PERIOD: This policy has a 31 day grace period. This means that if a renewal premium is not paid on or before the date it is due, it may be paid during the following 31 days. During the grace period, the policy will stay in force.

REINSTATEMENT: If the renewal premium is not paid before the grace period ends, the policy will lapse. Later acceptance of the premium by Combined (or by an agent authorized to accept payment) without requiring an application for reinstatement will reinstate this policy.

If Combined or its agent requires an application for reinstatement and the application is approved, the policy will be reinstated as of the approval date.

The reinstated policy will cover only such hospitalization or treatment that starts after the date of reinstatement. In all other respects the rights of the Insured and Combined will remain the same.

NOTICE OF CLAIM: Written notice of claim must be given within 60 days after a covered loss starts or as soon as reasonably possible. The notice can be given to Combined at [P.O. Box 638, Bellingham, Washington 98227-0638] or to Combined's agent. Combined will accept notice from a Medicare Part B carrier on claims submitted on the Insured's behalf by physicians and suppliers or the Explanation of Medicare Benefits (EOMB). Notice should include the name of the Insured and the policy number.

CLAIM FORMS: When Combined receives the notice of claim, it will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days, the claimant will meet the proof of loss requirements by giving Combined a written statement of the nature and extent of the loss within the time limit stated in the Proofs of Loss Section.

PROOFS OF LOSS: If the policy provides for periodic payment for a continuing loss, written proof of loss must be given to Combined within 90 days after the end of each period for which Combined is liable. For any other loss, written proof must be given within 90 days after such loss. If it was not reasonably possible to give written proof in the time required, Combined shall not reduce or deny the claim for this reason if the proof is filed as soon as reasonably possible. In any event, the proof required must be given no later than 1 year from the time specified unless the claimant was legally incapacitated.

TIME OF PAYMENT OF CLAIMS: After receiving written proof of loss, Combined will pay immediately all benefits then due.

PAYMENT OF CLAIMS: Benefits will be paid to the Insured. Any benefits unpaid at death will be paid to the deceased's Insured's estate.

PHYSICAL EXAMINATIONS AND AUTOPSY: Combined at its expense has the right to have the Insured examined as often as reasonably necessary while a claim is pending. It may also have an autopsy made unless prohibited by law.

LEGAL ACTIONS: No legal action may be brought to recover on this policy within 60 days after written proof of loss has been given as required by this policy. No such action may be brought after 3 years from the time written proof of loss is required to be given.

MISSTATEMENT OF AGE: If your age has been misstated, the benefits will be those the premium paid would have purchased at the correct age.

CONFORMITY WITH STATE STATUTES: Any provision of this policy which, on its effective date, is in conflict with the laws of the state in which the Insured resides on that date is amended to conform to the minimum requirements of such laws.

GENERAL PROVISIONS

EFFECTIVE DATE: This policy takes effect and terminates at 12:01 A.M., Standard Time, at the place where you reside. It is effective on the Effective Date shown on the Schedule. Premium due dates, policy anniversaries and policy years shall be computed from the Effective Date.

EXTENSION OF BENEFITS: Termination of the policy shall be without prejudice to a continuous loss which commenced while this policy was in force, but the extension of benefits is conditioned upon the continuous total disability of the Insured, limited to the duration of the policy benefit period, if any, or payment of the maximum benefits. Receipt of Medicare Part D benefits will not be considered in determining a continuous loss.

REFUND OF UNEARNED PREMIUM: Upon your death any proceeds payable will include a refund of premium paid for this policy for any period beyond the end of the policy month in which death occurred.

MEDICAID ENTITLEMENT AFTER POLICY EFFECTIVE DATE: If you apply for and are determined to be eligible for benefits under Title XIX of the Social Security Act ("Medicaid"), you may have the benefits and premiums under this policy suspended while you are so eligible, for up to twenty-four (24) months. You must notify Combined within 90 days after you become so eligible for Medicaid.

If you suspend the benefits and premiums as described above and then lose entitlement to Medicaid, this policy will be reinstituted, effective on the date of Medicaid termination if: (1) you notify Combined within 90 days of such loss of assistance; and (2) pay the required premium. The premium and coverage will be as favorable as if the policy was not suspended. There will be no waiting period for pre-existing conditions.

In Witness Whereof, Combined has caused this policy to be signed by our Chairman, President and Secretary.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by Combined Insurance Company of America. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that the purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY ISSUER, AGENT [BROKER OR OTHER REPRESENTATIVE]:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage Plan. The replacement policy is being purchased for the following reason (check one):

___ Additional benefits.
___ No change in benefits, but lower premiums.
___ Fewer benefits and lower premiums.
___ My plan has outpatient prescription drug coverage and I am enrolling in Part D.
___ Disenrollment from a Medicare Advantage plan. Please explain reason for disenrollment.

_____

___ Other, (Please specify)_____

_____

_____

State law provides that your replacement policy or certificate may not contain new waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.

If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.

DISCLOSURES

Use this outline to compare benefits and premiums among policies.

This outline shows benefits and premiums of policies sold for effective dates on or after June 1, 2010. Policies sold for effective dates prior to June 1, 2010 have different benefits and premiums. [Plans E, H, I, and J are no longer available for sale.]

READ YOUR POLICY VERY CAREFULLY

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

RIGHT TO RETURN POLICY

If you find that you are not satisfied with your policy, you may return it to [5050 Broadway, Chicago, Illinois 60640.] If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

POLICY REPLACEMENT

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

NOTICE

This policy may not fully cover all of your medical costs.

Neither Combined Insurance Company of America nor its agents are connected with Medicare.

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult *Medicare and You* for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.
